Dear Alavida Resident, Family & Staff

As we head into Easter Weekend, we can appreciate that this is a time where we look forward to spending quality time with family. This year will definitely be anything but normal for our first holiday in quarantine. We would like to take this time to remind family members that our Retirement Homes will remain closed to visitors. Staff in each community are working hard to find ways to make Easter special for each resident. We encourage families to send messages, wave from the parking lot or virtually connect with our residents in lieu of physically interacting.

We hope that you and your families stay safe and healthy and find creative ways to celebrate this holiday.

Wishing you all a Happy Easter,

Alavida Lifestyles.
