Her experience encompasses managing the sales and revenue of a portfolio of hotels as a Regional Revenue Manager through to her most recent position as General Manager of a large Retirement Community in Montreal. She has a customer-focused attitude and understands how staff engagement translates to resident satisfaction. While Elisa has primarily worked in a hospitality setting, she has a passion for working with seniors and excels at building rapport with staff, residents and their families. Making the move back to Ottawa, Elisa is excited to be a part of the Park Place community and is looking forward to getting to know the residents and their families, as well as being able to spend time with her Daughter and young Granddaughter on her personal time.
